

INCREASE IN WATER/ SEWER RATES

Effective July 1, 2019, the water and sewer user rates increased by 3% and are as follows for in-town users:

Water:

Minimum: \$34.28*

Per 1,000 gallon: \$17.14

Sewer:

Minimum: \$35.30*

Per 1,000 gallon: \$17.65

*Includes 2,000 gallons of usage

The rate increases are necessary to continue to maintain the water and sewer system and to make upgrades as needed.

Protect Our Source Water !

WHAT IS SOURCE WATER?

Surface water (from streams, rivers or lakes) or ground water (aquifers) serve as sources of drinking water, also known as source water. Source water is used by Middleburg for its public drinking water supplies. Protection of those sources helps reduce treatment costs and reduces the risk to public health that can occur from contaminated source water.

WHAT CAN I DO TO HELP PROTECT IT?

As an individual you can help protect our source water by getting involved. The Wellhead Protection Advisory Committee has an immediate opening. To apply, send a letter of interest or resume to the Town Clerk at north@middleburgva.gov or at P. O. Box 187 Middleburg, Virginia 20118.
