

## **2020 Middleburg Wellness Day Participation Opportunities**

### **SPONSORSHIP OPPORTUNITIES**

Sponsorship is \$100.00 per sponsor, and includes a business feature on the **2020 Middleburg Wellness Day** [website](#), [Facebook page](#) and individual [Instagram](#) posts. Sponsor logos are also placed on the reusable shopping bag that will be given to all visitors at the event as well as on the banner inside the venue. Your logo, together with a selection of other business sponsor's logos, will be on display for months and possibly years following the event as visitors shop locally and beyond!

### **EXHIBITOR/PRESENTATION SPACES**

Each exhibitor will receive a space in the Ballroom that measures approximately 6' deep x 6' wide with NO space between exhibitors. The fee for each space is \$35.00 (\$30 for returning exhibitors registering before October 30th) and it includes a table and a chair. Set-up time will be available on Friday March 27th between 2:00 pm and 5:00 pm, and Saturday March 28th beginning at 8:00 am.

### **GIFT CARDS**

Please consider donating a selection of gift cards. We are seeking a number of \$5.00 and \$10.00 gift cards that will be given to all attendees that complete the **PASSPORT TO HEALTH TREASURE HUNT**. We also need \$25.00 gift cards for the **PASSPORT TO HEALTH TREASURE HUNT** prize drawing.

### **GIFT BASKET PRIZE**

We will offer a series of larger prizes for our drawing with one of the larger prizes being a basket consisting of local goods. If you have any suitable, branded goods to donate, please do so and get your name in front of more attendees.

### **GRAND PRIZES**

In addition to the gift basket drawing we would also like several other grand prize drawings. The monetary value for these prizes would be in the \$75 to \$100 range. Suggestions might include hair and nail services, massage, fitness classes and the like.

### **DONATIONS**

We would gratefully accept donations to support this community event - thank you.

### **HOURLY PRESENTATIONS**

There are six presentation slots available on a first come first serve basis on suitable subject matter relating to brain health related issues. These presentations will take place on the main stage in the Ballroom. Presenters will be allocated 10 minutes and must have an exhibitor space in the Ballroom in order to be able to follow-up with interested attendees/customers.
